Find

Find me at the close of time
When dusk has come and gone for you too
When darkness looks like it envelopes all
I will light your path

Find me at the moment of your letting go
Of all that weighs you down -
The stone encasing your heart -
I will chip away your doubt

Find me when you let yourself be lost
Utterly at sea
Seemingly rudderless
I will guide you home

Find me in the midst of pain
When hurt consumes
And tortures the soul
I will console you

Find me though you don't believe
When you don't think that you can
Fear not
I will find you
